## **About USTA Jr. Team Tennis**

USTA Jr. Team Tennis brings kids together in teams to play singles, doubles and mixed doubles against other teams. It promotes social skills and important values by fostering a spirit of cooperation and unity, as well as individual self-growth. Also, it's a fun environment for kids in which they learn that succeeding is really more about how they play the game – win or lose.

USTA Jr. Team Tennis is designed for kids ages 5-18. They are immediately placed on teams. All you need to start a league are two teams. Matches can be held anywhere from a local park or school to a commercial or private club. They are divided by the following age and play levels:

Age Groups: U18, U16, U14,

Play Levels: Beginner, Intermediate, Advanced

Each year the USTA crowns a national champion in two age divisions (14 & under and 18 & under) in both the Intermediate and Advanced play divisions. The National Championships serves as the crown jewel of USTA Jr. Team Tennis as the nation's top teams compete for the title. This event showcases the very best elements of tennis: spirited competition, friendship, achievement, sportsmanship and fun. Playing in a National Championship can be a once-in-a-lifetime experience. Play is on full size courts using standard net height, racquets and balls.

## **TennisLink**

All players have access to TennisLink, the USTA's online player registration system. TennisLink allows registered players to keep track of their records and stats, as well as scout their competition. Whether on the court or online, USTA Jr. Team Tennis builds a passion for a sport kids will be able to play for life.
